

WHAT SHOULD I DO?

Stacie L. Derderian *

Undergraduate Student, B.A. in Mathematics Program, Rivier College

People keep telling me good grades are not everything.

So, they say to get involved in something, such as to sing.

But, I can't sing.

So, what should I do?

I could be in the creative Art Club.

I could adopt a loving grandparent.

I could be in the caring Buddy Program.

I could be a hard-working treasurer.

But, what should I do?

It's hard to choose.

But, since I do not have that much time,

I must choose only one thing-like choosing only one work career.

And so I am easily baffled.

What should I do?
