The transformative leadership of **Dr. Jamison Gilder Hoff** was recognized at a dinner reception in her honor in May 2013 after she recently concluded a 10 year term as chair of the Rivier Board of Trustees. Dr. Hoff was presented with a medal established in her honor—the Jamison G. Hoff Leadership Medal—which will be awarded to a student leader at Rivier each year. On May 11, 2013, at Rivier's 78th Commencement and its first as a University, Dr. Hoff's leadership was further lauded with the presentation of an honorary degree.

Dr. Hoff was appointed chair of Rivier University's Board of Trustees in 2002. During her tenure, in addition to obtaining "University" status and launching two distinct

doctoral programs—both the first of their kind in New Hampshire—Rivier successfully completed its first capital campaign and received the largest gift in its history, a $2 million gift from the Conway family to renovate and expand the Regina Library. The University also expanded and renovated the Muldoon Fitness Center.

"As chair of the Rivier University Board of Trustees for 10 productive and exciting years, Dr. Hoff has exemplified the founding spirit of Rivier University through her legacy of leadership and service," said Sister Paula Marie Buley, IHM, Rivier's president.

A tree will be planted on campus in acknowledgement of Dr. Hoff's years of service and the many accomplishments of the University under her dedicated direction. ∎
