ACADEMIC CONVOCATION

Academic Convocation celebrates renewal. Rivier University is renewed by its entering first-year students, who bring with them the energy of their generation. First-year students are renewed as they transition to the University, moving from one stage of their lives to another.

In preparation for Convocation, the class of 2017 read *Outcasts United: An American Town, a Refugee Team, and One Woman's Quest to Make a Difference*. The book offers a compelling tableau: a failing American town at Atlanta's outskirts being reshaped by the arrival of refugees from around the world. A powerful tale, *Outcasts United* focuses on the work of an extraordinary young woman who embraces the refugees, and uses soccer to help refugee children, and thus their families, deal with cultural conflict and cultural reconciliation.

MISSION STATEMENT

Founded in 1933 by the Sisters of the Presentation of Mary, Rivier University is a Catholic institution dedicated to transforming hearts and minds to serve the world.

As a co-educational institution of higher learning, the University is dedicated to the education of the undergraduate and graduate students in both the liberal arts and professional courses of study.

Committed to the faith heritage, intellectual tradition, and social teachings of the Roman Catholic Church, the University educates the whole person in the context of an academic community that cultivates critical thought, sound judgment, and respect for all people. This community supports the intellectual growth of all its members while offering them opportunities for social, cultural, moral, and spiritual development. The challenge of the University community is to search for truth through the dialogue between faith and reason.

Rivier creates an environment in which integrated learning is the shared responsibility of students, faculty, staff, and administrators, and is pursued in all the curricular and co-curricular programs of the University. To participate in the life of Rivier University is to strive for academic excellence, to take responsibility for ourselves and for others, and to engage in dialogue about basic human issues facing society, especially the plight of the poor and powerless. The University extends to all of its members and also to the greater community an invitation to join in intellectual inquiry and dialogue.

RIVIER UNIVERSITY SONG

Rivier, to you we proudly sing,
Our hearts with love brim o'er,
Our voices rise in praise;
For you we'll make the echoes ring
Faithful evermore
In memory of these days.
Within your halls we've found an noble, lasting truth,
An ideal great and strong;
For this receive our thanks and accept from our youth
This pledge, our loyal song.
For higher things, then daily let us pray and strive,
No matter what life's frays -
Still through it all, Rivier, we'll ever keep alive
Your lessons of God's ways.
