

ALUMNUS AND BUSINESS EXECUTIVE JOINS RIVIER UNIVERSITY'S BOARD OF TRUSTEES

(From Rivier Today, Fall 2014)

Aaron C. Dufoe '97, '98G has been appointed to the Rivier University Board of Trustees. Currently serving as Vice President of Sales and Marketing at Single Digits, a global provider of High Speed Internet Access (HSIA) management and support solutions, Dufoe's career has focused on executive leadership positions in business and sales development, marketing, and relationship management. At Single Digits, Dufoe is responsible for all aspects of business development.

"The University is delighted to welcome Aaron Dufoe, a Rivier alumnus, business professional, and innovative thinker, to Rivier's Board of Trustees," says Sister Paula Marie Buley, IHM, President. "Aaron's expertise and inspirational leadership will help advance the University's strategic initiatives."

Before joining Single Digits, Dufoe served as CEO of Sales and Marketing at SCOUT Trading Systems, a cloud-based document management/ERP solution for the electronics marketplace. Prior to SCOUT Trading Systems, he spent nine years as the Vice President of Worldwide Sales and Marketing for NTP Software, a data management company.

From 2005 to 2013, Dufoe served on the Board of Advisors at AbleBridge, Inc., a Microsoft Gold Partner and Dynamics CRM platform advisor, in Manchester, New Hampshire.

Dufoe holds both a bachelor's degree and an MBA from Rivier University. While at Rivier, Aaron honed his leadership skills in the classroom, workplace, and on the basketball court. His accomplishments were recently recognized with an induction into the New England Basketball Hall of Fame. ■
