A NIGHTINGALE PLEDGE

I solemnly pledge myself before God and in the presence of this assembly,
to practice my nursing profession with integrity.

I will devote myself to the healing, protection, and welfare of those committed
to my care and will abstain from whatever is deleterious and mischievous.

I will hold in confidence all personal matters committed to my keeping.

I will respect the privacy of medical information and will act with
compassion in ethical matters.

I recognize the importance of personal accountability; I commit to work
with members of all healthcare disciplines in an atmosphere of
mutual respect and consideration.

I will do all in my power to maintain and elevate the standard of my profession.

I commit to lifelong learning for the betterment of my profession,
and I accept a duty to work for the improvement of health
in the communities in which I live and work.

I fully acknowledge the seriousness of the responsibility that
I accept in my calling, and the significance of this pledge that I take today.
