

RIVIER UNIVERSITY RECEIVES TOP RANKINGS

(From *Rivier Today*, Fall 2018)

Money magazine has named Rivier University a 2018 *Top 5 New Hampshire College for Best Value*. Rankings considered the quality of education, affordability, and outcomes. Graduation rates were also a factor; ranked colleges had to achieve at least the median graduation rate for their classification.

For the eighth consecutive year, Rivier has been named a *College of Distinction*. This award also recognizes the University as a *Catholic College of Distinction* and *New Hampshire College of Distinction*. Rivier is one of only two New Hampshire universities to receive this recognition. ■
