"Exploring mathematical and computational concepts for the STEM education in colleges"

Presented at: 16th International Conference on Technology, Knowledge, and Society

Conference Presentation — March 2020, Urbana-Champaign, IL (presented online)

"Numerical and experimental simulation techniques in hypersonic low-density aerothermodynamics"

Presented at: 23rd AIAA International Space Planes and Hypersonics Systems and Technologies Conference

Conference Presentation — March 2020, Montreal, Quebec, Canada (presented online)

“Applications of underexpanded jets in hypersonic rarefied-gas aerodynamic research”

Presented at: 23rd AIAA International Space Planes and Hypersonics Systems and Technologies Conference
Conference Presentation — March 2020, Montreal, Quebec, Canada (presented online)

“Similarity principles in hypersonic aerothermodynamics”

Presented at: Southern New Hampshire University
Invited Lecture — March 2020, Manchester, NH

“Graph theory applications in developing software test strategies for networking services”

Presented at: Computer Society Seminar Series, IEEE New Hampshire Section
Invited Lecture — October 2019, Nashua, NH

“Advanced mathematical concepts in computer science applications”

Presented at: 30th International Conference on Technology in Collegiate Mathematics
Conference Presentation — March 15-17, 2018, Washington, DC

“Non-trivial motivational case studies for the college introductory courses in mathematics”

Presented at: 30th International Conference on Technology in Collegiate Mathematics
Conference Presentation — March 15-17, 2018, Washington, DC

“Exploring unique computing applications enriched by scientific phenomena and mathematical concepts”

Presented at: 29th International Conference on Technology in Collegiate Mathematics
Conference Presentation — March 9-12, 2017, Chicago, IL

“Mathematical modeling and simulation of complex phenomena in rarefied gases”

Presented at: 29th International Conference on Technology in Collegiate Mathematics
Conference Presentation — March 9-12, 2017, Chicago, IL
