

RIVIER'S BOARD OF TRUSTEES EXPANDS EXPERTISE WITH NEW APPOINTMENTS

(From *Rivier Today*, Fall 2020)

Mr. Robert Calamari, Jr. and **Dr. Melissa Wu** have joined Rivier's Board of Trustees. Their expertise in business management and healthcare enhances the University leadership team's resources in these two critical fields.

"As the University advances its commitment to 21st-century workforce development and innovation in the sciences, Mr. Calamari and Dr. Wu will make significant contributions to leading Rivier's growth," shares **Sister Paula Marie Buley, IHM**. "Their vast experience and community connections offer opportunities for greater awareness and engagement with regional partners."

Robert Calamari is a Senior Vice President at Bank of America in Boston. He leads the Corporate Reputation Management Team working with key stakeholders. His expertise extends to research, strategy formulation, marketing, corporate finance, corporate communications, public policy, and relationship management. Mr. Calamari holds an MBA from Tuck School of Business at Dartmouth College.

Dr. Melissa Wu is a physician and Medical Director at Immediate Care of Southern New Hampshire/Southern New Hampshire Health. She received her M.D. from the University of Virginia School of Medicine and completed her fellowship and residency at Johns Hopkins University School of Medicine. She is Board Certified in Emergency Medicine. In addition to her medical degree, Dr. Wu earned an MBA at the Johns Hopkins Carey Business School. ■
