**“THE WOODS WRAP AROUND US”: MONOPRINTS AND ENCAUSTIC PAINTINGS
BY LORETTA CR HUBLEY (SEPTEMBER 26 – NOVEMBER 3, 2022)**

The current exhibition is a peaceful meditation on the splendor of the New England landscape: at the same time, it is a compelling expression of sensitivity to the climate/ecological crisis. All are invited to ponder its beauty and its many suggested meanings.

Since it welcomes reflection and conversation, I hope you and your students will find it meaningful. Please contact me if I can be of assistance to you for your classes.
