

90TH ANNIVERSARY DISPLAY CELEBRATES RIVIER'S PROUD HISTORY

(From *Rivier Today*, Fall 2022)

The University debuted its 90th anniversary display during Alumni Reunion Weekend in September, followed by an additional presentation for students, faculty, staff, alumni, and community members from October 31–November 4, 2022. Located in Regina Library, the display included photographs, artifacts, and memorabilia representing Rivier through the decades.

Staff from the Office of University Advancement and Alumni Relations and Regina Library selected and curated the historic content, including items from the University Archives and thoughtful donations from Rivier alumni. Collection themes within the display included *Rivier's Heritage*, *the Canonization of Saint Marie Rivier*, *Rivier Through the Years*, *Raiders Athletics*, and *Our Proud Alumni*. ■
