Members of Rivier's dance team raised more than \$1,400 as part of the 2007 Making Strides Against Breast Cancer Walk. Fifteen members of the team participated in the 3.5 mile walk held on October 14, 2007.

"We wanted to get our name out into the community and thought it was a great opportunity for us to bond as a team, as well as help people out," said Maura Kirby, Dance Team secretary. She said that the walk was really personal for many members of the team, who know people who have dealt with breast cancer. ■
