'RONNIE' McCLURE
new work
March 18 - April 19, 2013
Art Gallery Rivier University
SACRED PLACE / SACRED JOURNEY

In 2012 Rivier faculty member Ron McClure spent a four-month academic sabbatical in the American Southwest where he produced a new body of work for exhibition. Inspired by the vastness of the landscape, the subtlety of its massive forms, and the constant shifts in its light and color, he has created images that masterfully combine digital and traditional techniques. The results are technically seamless, aesthetically innovative, and contemplatively inviting.
