The Rivier University President's Circle will host a Leadership Forum on Tuesday, May 26, 2015, featuring **Carly Fiorina**. A passionate advocate for conservative policies that advance economic growth, entrepreneurship, innovation, and effective leadership, Fiorina has announced her candidacy in the 2016 presidential election.

The first woman to lead a Fortune 500 business when she served as CEO and Chairman of Hewlett-Packard, Fiorina advanced the company from the 28th to the 11th most profitable company in the United States. In her six years leading HP, she doubled its revenues to \$90 billion, more than quadrupled both growth and cash flow, tripled the rate of innovation, and achieved market leadership in every market and product category.

She currently serves as Chairman of the American Conservative Union Foundation, educating and elevating public discourse on conservative principles; Good360, the world's largest product philanthropy organization; and Opportunity International, the largest, non-profit micro-finance lender in the world.

Comprised of distinguished business and community leaders, the Rivier University President's Circle opens dialogue and promotes the exchange of ideas on topics impacting the businesses of New Hampshire and Massachusetts.

The President's Circle Leadership Forum will take place on the Rivier University campus with breakfast and networking from 7:30 to 8 a.m., followed by the program from 8 to 9 a.m.

Space is limited, and pre-registration is required. Business leaders are invited to register for the event online at <http://www.rivier.edu/presidentcircle> or by calling (603) 897-8665. ■
