

RIVIER'S ONLINE MASTER'S DEGREES RANKED BEST IN THE GRANITE STATE

(From *Rivier Today*, Spring 2024)

[OnlineMastersColleges.com](https://www.onlinemasterscolleges.com) has recognized the University as offering the top-ranked online master's degree programs in the state of New Hampshire, according to the website's 2024 rankings. With 14 online master's programs offered to students, Rivier provides expanded access for adult learners to advance their education.

"The flexibility offered by our top-ranked online programs allows our students to achieve professional goals while balancing family commitments and work schedules," says **Sister Paula Marie Buley, IHM**. "These latest rankings reflect the success of our graduates and the quality of our faculty."

The [OnlineMastersColleges.com](https://www.onlinemasterscolleges.com) rankings are generated by analyzing data from institutions, the National Center for Education Statistics (NCES), and the Integrated Postsecondary Education Data System (IPEDS). The website also engineers its rankings based upon program availability, affordability, delivery, curriculum, duration, employability, and the return on investment. ■
