Editor's Note, by **Vladimir V. Riabov**, *Editor*

Associate Editors and Editorial Board

Reviewers for November 2023 – August 2024

RIVIER PERSPECTIVES

The Newest Investment in the Residential Student Experience: The campus community celebrated the opening of Rivier Village

Educating the Next Generation of Nurses: Historic \$2 million grant to support undergraduate nursing students

NH-INBRE Biomedical Research Projects

New Interdisciplinary Major Will Build on Rivier's History in the Liberal Arts

RESEARCH & SCHOLARSHIP

FACULTY-STUDENT RESEARCH

Multi-Agent Adaptive Learning For Mathematics, by **Srikanth Dokku**, **Anudeep Gumpula**, **Sanjana Gudati**, **Mahendra Nagisetty**, **Ruthvik Thimmarayappa**, **Jai Paul Yeruva**, and **John Glossner**, *Department of Mathematics and Computer Science*

FACULTY RESEARCH

Celebrating Faculty Research, Scholarship, and Creative Accomplishment (April 22, 2024), by **Samantha E. Cabral**, **Kathleen MacFarline**, **Morgan Reynolds**, and **Dan Speidel**, *The Regina Library*

PEDAGOGY

Advancing Your Teaching Through Thinking Skills and "The 6 Principles", by **Rita F. Naughton**, *Institute of Language Education, Southern New Hampshire University*

TRANSFORMATIVE STUDENTS RESEARCH LEARNING CONFERENCE 2024

Transformative Students Research Learning Conference 2024, by **Shanna Demers**, **Leila Jabbour**, **Brian Patenaude**, **Emlee C. Kohler**, and **Tatiana Jones**, *Departments of Biology and Psychology*

The Effect of Clutter on Attention, by **Katie Kilgore**, **Rachel Cannistraro**, and **Emlee C. Kohler**, *Department of Psychology*

Survey of Freshwater Turtles in Salmon Brook, Nashua, New Hampshire, USA, by **Danielle Clement**, **Jeremy Fontaine**, and **Shanna Demers**, *Department of Biology*

Eating Habits of Student Athletes In-Season Compared to Out-of-Season, by **Dominic M. Cunha** and **Emlee C. Kohler**, *Department of Psychology*

The Effect of Nomophobia on Performance, by **Leah DiPietro** and **Emlee C. Kohler**, *Department of Psychology*

The Effect of Color on Memory Recall, by **Victoria Angeliz Lopez, Isabelle Foye, and Emlee C. Kohler**, *Department of Psychology*

The “Bouba-Kiki” Effect on Visualizing Faces, by **Kelly A. Janerico** and **Emlee C. Kohler**, *Department of Psychology*

Purification of the Native Thin Filament with Post Translational Modifications and Measurement of Calcium Mediated Activation with the *In-vitro* Motility Assay, by **Aaron LePoer, William Schmidt & Brian Patenaude** (*Department of Biology, Rivier University*), and **Alfredo Bongiorno & Jeffrey R. Moore** (*Kennedy College of Science, University of Massachusetts at Lowell*)

Evaluating Involvement of Pure Extracellular (ex)RNA vs. RNA Binding Proteins in Alterations in Macrophages Responses to Pathogen Associated Molecules, by **Kayla Lyle, Alexandria M. Williams & Tatiana Jones** (*Department of Biology, Rivier University*), and **Pavel Ivanov** (*Harvard University School of Medicine*)

Progress in Developing Porphyrin Doped Antibacterial Polymers, by **Irelynn Mullen** and **Brian Patenaude**, *Department of Biology*

Effects of Vitamin C on Glutamate Defense Signaling of the *Arabidopsis Thaliana*, by **Aliyah Okonkwo** and **Shanna Demers**, *Department of Biology*

Extracellular (ex)RNA Influences the Proinflammatory Profile of Macrophages Stimulated with TLR2 and TLR4 Agonists, by **Alexandria M. Williams, Kayla Lyle, Brian Patenaude**, and **Tatiana Jones**, *Department of Biology*

FACULTY SPEAKER SERIES

Prof. Shanna Demers, “A Tale of Two Unsung Heroes: Cryptogams and Painted Turtles” (February 28, 2024)

OPINION

Reflections on Disastrous Challenges to Humanity, by **Vladimir V. Riabov**, *Department of Mathematics and Computer Science*

TRAVEL REFLECTIONS

Quebec with Love, by **Maryse Proulx**, *artist, Quebec City, Canada*

Discovering Quebec, by **Sergey Ryabov**, *Bedford, New Hampshire*

RIVIER PROFILES

Rivier Appoints New Vice President for Academic Affairs: **Dr. Paula Williams**

Rivier Welcomes New Dean of Arts & Sciences: **Dr. Lesley DeNardis**

Distinguished Community Members Named to Board of Trustees: **Dr. Mario Andrade** and **Dr. Tara Levesque-Vogel**

Alumni Achievement Awards: **Francis Bourgeois '13 MBA, Susan O'Hare '87 B.S.W./'94 M.Ed., Jackeline Rodriguez '22 Certificate**, and **Jessica Hagg '22 B.A.**

Making a Difference: **Mailaja Mohammed**, by **Griffin Spencer**

Alumni Spotlight: **Hamid Habibi '15G**

Class Notes: 1970s – 2020s

IN MEMORIAM

Class Notes: In Memoriam

Obituary: Prof. Lyra Riabov, Southern New Hampshire University, a reviewer for *Rivier Academic Journal*
