**Would you rather be able to
teleport or stop time?**

I would rather teleport because
I could get more done in the
time I have, and be able to see
the world.

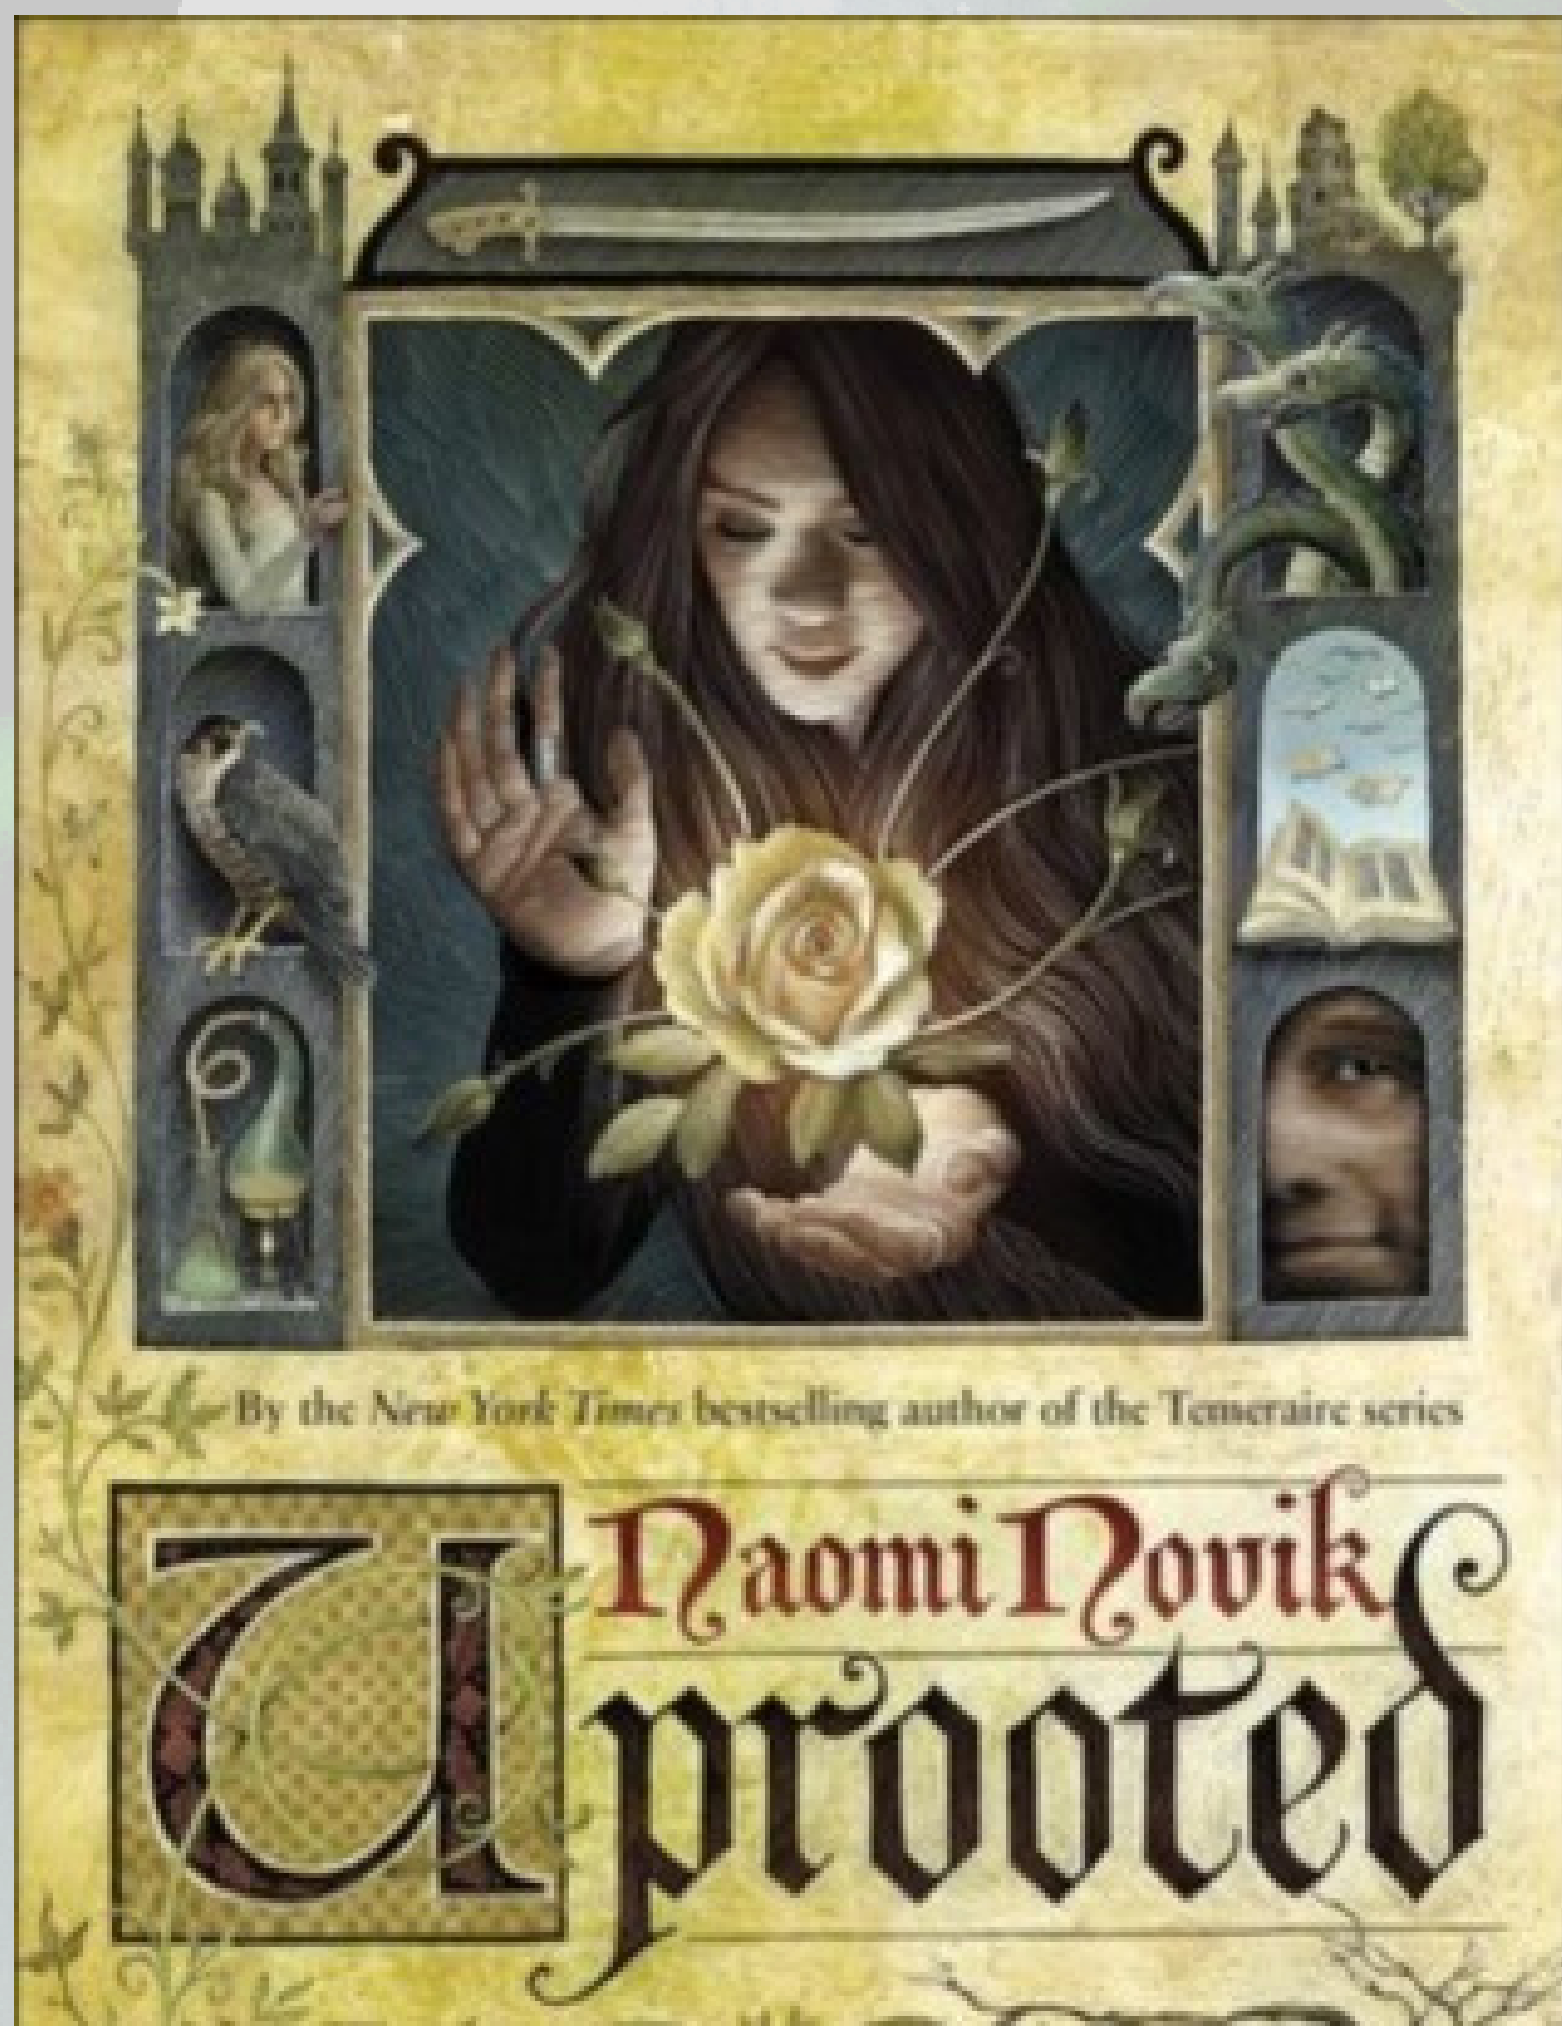

**What's your favorite library
service/program?**

I love all of the holiday library
programs, and my favorite
service is probably printing
because I use it multiple times
a week.

**If you could go anywhere in
the world, where would you
go?**

I really want to go to
Guatemala and explore the
Mayan ruins, learn about the
civil war there, and because it
is a beautiful country.

STAFF PICK OF THE MONTH

"Uprooted"

Recommended by
Kati MacFarline

Enlisted by a wizard known
only as the Dragon, Agnieszka
must help purge a corrupted
forest before its haunting
power spreads to consume
her village. The descriptions
of magic in this book are
absolutely spellbinding – as is
the richly drawn fantasy
setting, inspired by real-life
Polish folk tales.
